FISCAL NOTE

HB 1789 - SB 1828

January 25, 2016

SUMMARY OF BILL: Requires digital billboards to be erected and begin displaying an outdoor advertising message within two years instead of 180 days after the date on which a permit is granted.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Extending the amount of time that a person granted a permit authorizing a digital billboard has to erect and begin displaying an outdoor advertising message before revocation of the permit will not significantly impact the number of permits issued.
- Any decrease in permit fee revenue to TDOT is estimated to be not significant.
